**~Dear church family:** Stefan's surgery did not go as we had hoped. He did well during the surgery, and woke up feeling good and hopeful. But, much to our shock, we learned that the cancer has spread throughout Stefan's chest cavity. The surgeon removed all of the tumor he could see as well as most of what remained of Stefan's right lung. At this point we are unsure what all of this means for future treatments. The road ahead is hard to see. Stefan is still in the hospital, but will be meeting with his doctors in the near future to develop a plan. For certain, Stefan will not be returning to work any time soon.

Your prayers and support have meant so much and we will all continue to rely on them to get through these next months. The financial burden, as heavy as it is, is getting heavier. We need all of the help we can get. If you still want to donate to the caring fund, here is the link: <https://youcaring.com/stefangascho-794153> Thank you all from the entire Gascho family for your love, prayers and support.

**~The Parent and Preschool Center** thanks you for shopping at Giant and showing your rewards card. During the 2016-17 school year, we earned \$1620. This money helps to keep our tuition affordable for the parents. This program will begin again in October. We will remind you to register your rewards card at that time. **~Secondly**, the Campbel Soup Labels for Education Program will be discontinued as of June 2017. Please check your cupboards for any UPC's that say Labels for Education and turn those in to the Preschool by May 31<sup>st</sup>. Thank you again!

**~Connections – Tues, April 25.** –Summer Calendar Craft. Make this summer memorable with a special event calendar. Create a calendar for your family that includes fun, creative activities. Come hear idea and brainstorm with the group.
