~**Many, many thanks** for your prayers/petitions that have been offered up in our behalf. All the cards, calls, and expressions of concern that we've received over the pastmonths, really.... and especially over this time of Dan's surgery. They have been a tremendous source of strength & encouragement that has pulled us through this difficult time. The severe pain that Dan was experiencing earlier is almost gone! Thanks be to God!! Also, a special thanks for the beautiful floral arrangement that continues to remind us of your caring. We are humbled by it all, and deeply grateful. ~Dan & Min Wert
